A limited number of teams will be accepted for the Black Gold Jubilee volleyball tournament scheduled for April 24-25 in Belle Glade.

According to tournament director Mike Schlechter, registration forms and ground rules for the co-ed tournament are available at the Belle Glade Chamber of Commerce or by calling Mr. Schlechter at 996-6531.

Repaving underway

Work is underway this week to repave U.S. 27 near the shore of Lake Okeechobee from South Bay west for six miles to the Miami Canal, according to officials with the Florida Department of Transportation.

One lane at a time may be closed during daylight hours on weekdays to remove existing pavement and place a new layer of asphalt. The \$1,576,000 project is expected to be completed in July.

Other ongoing construction in the area includes:

- U.S. 27 widening from two to four lanes in two sections: a 6.5-mile section northward from 5.5 miles north of the Palm Beach-Broward County line through January 1994 and a 3.5-mile area from milepost 19 north through next month.
- State Road 880 (old State Road 80) repaving through next month from Avenue E near Belle Glade to Nine-Mile Bend.
- State Road 80 repaving between Belle Glade and South Bay from the Hillsboro Canal southwest for four miles to U.S. 27. The project includes repaving a half-mile section of Avenue E east of SR 80. One lane at a time may be closed on weekdays from 7 a.m. to 5 p.m. for a mile at a time. Work also includes adding street lights on SR 80. The \$2.5 million project is expected to be completed in September.

Banquet planned

Tickets are now on sale for the Sixth Annual Fundraising/Membership Banquet for the AIDS Coalition of the Glades.

The banquet will be April 3 at 7 p.m. at the Belle Glade Municipal Civic Center, 725 N.W. 4th Street, Belle Glade.

Guest speaker for the event will be Dr. Effie Grear, principal at Glades Central Community High School. Proceeds from the banquet are used for emergency food, clothing, utility payments, and rental assistance for many local individuals who are HIV positive.

Public invited

The U.S. Army Corps of Engineers will host a meeting on aquatic plant management for Lake Okeechobee on March 9 from 7 to 9 p.m. at Belle Glade City Hall.

A presentation on the current status of the aquatic plants and treatments will be given.

Belle Glade man arrested in Texas - charged with abduction and murder

Authorities in Texas have arrested a Belle Glade resident believed to be involved in the abduction and murder of Jamal Rateb Aboghali, also of Belle Glade.

Rene Hernandez, 19, was arrested last week for first degree premeditated murder, felony murder, kidnapping and grand theft, according to Hendry/Glades Counties Assistant State Attorney John Pietrofesa. Hernandez has been transferred to Gainesville.

Mr. Pietrofesa said Hernandez has admitted that he and several others beat Aboghali, 29, at a trailer located in Spencer Trailer Park on Nobles Road on Jan. 31.

Mr. Aboghali's body was found February 1 on a road off Interstate 75 in Gainesville. His hands and feet were bound and he had been hit in the head several times.

Hernandez said he and his friends took Mr. Aboghali's van and headed north on I-75, taking their victim with them.

At some point along the way the victim began to regain consciousness and the men beat him again.

When the abductors realized their victim was dead, they say,

Holy Way leader found competent to stand trial for child molestation

BY CHIP NEWTON

April 5 has been tentatively set for the trial of Clarence Eden "Brother Bill" Williams, the Pahokee church leader accused of sexual activity with a child and violation of probation.

At a competency hearing held Tuesday, Circuit Judge Virginia Broome denied Williams' request for extensive testing of his mental impairment.

Williams' attorneys had told the court that Williams suffered brain damage as a result of a stroke two-and-a-half years ago and was unable to adequately participate in his defense.

"If I had to order tests every time someone had minor difficulty with word-finding, I'd have to order one for myself," said the judge.

Psychologists testified at the hearing that Williams is competent but that his difficulty recalling words could hinder his ability to appear truthful

Man drowns when his tractor overturns into canal

By BRENDA BUNTING SUN Editor

A tractor driver for United States Sugar Corp. drowned last Thursday when he became pinned under his tractor after it overturned into a canal.

Lloyd Robinson, 44, of 609A, Bryant Village, was the sixth person to die in the Glades in an industrial accident this sugar cane harvest season.

According to Det. Sgt. John Russ with the Palm Beach County Sheriff's Office, Mr. Robinson was attempting to make a turn near a canal and misjudged the distance from the canal bank.

The front tire of the tractor went off the roadway, causing him to over turn the tractor into the ditch.

Det. Frank Mayo said it appeared Mr. Robinson tried to jump from the tractor, but was unable to do so. Workers had to pull the tractor from the canal to free the body.

Mr. Robinson was given CPR at the scene and transported to Everglades Memorial Hospital where he was pronounced dead upon arrival.

An autopsy was performed by the Palm Beach County Medical Examiner's Office. Sgt. Russ said Mr. Robinson died of drowning and trauma.

Det. Mayo said the canal, approximately one mile east of Canal Point, was about 12 feet deep with approximately five feet of water in it.

Several witnesses said Mr. Robinson was driving slowly the accident occurred. He was employed by U.S. Sugar for over 24 years.

Man shoots friend accidentally

By BRENDA BUNTING SUN Editor

A Belle Glade man is listed in fair condition at St. Mary's Hospital after being accidentally shot in the stomach by a friend last Friday evening.

Police say Juvenal Cervantes, 21, of Room 8 at the Rutledge Motel, and Lucio Flores, 28, of Johnson Trailer Park at 340 West Canal Street South, were in the 400 block of West Avenue A, Belle Glade, when they got into an argument with an unknown man.

Flores told police he pulled a Raven 25-caliber semi-automatic from his pants pocket and shot at the ground one time to scare the man.

The bullet hit the cement sidewalk and ricocheted up and hit Cervantes in the abdomen.

Sgt. Wiley Battle and Deputy Jeffrey Godfrey were in the area and heard the shot and took Flores into custody and recovered the gun. Cervantes was taken by ambulance to Glades General Hospital and then transferred to St. Mary's Hospital in West Palm Beach by Trauma Hawk helicopter. He underwent surgery and was listed in serious condition for several days.

Police say the gun recovered from Flores had the serial number scratched off.

Flores was arrested for aggravated battery and possession of a firearm with an altered serial number. Bond was set at \$3,000.

Citizens arrested for voter fraud plead "Not guilty"

By BRENDA BUNTING SUN Editor

Circuit Judge Michael Miller has withheld adjudication for 14 of the 16 people charged with voter fraud in Belle Glade.

The 14 pleaded not guilty last week to charges of voting illegally in the September 22 runoff election between Commissioner Dan Rythwood and newcomer Ed Rongione. The two men tied in the Sept. 15 general election. A runoff on Sept. 22 netted Commissioner Rythwood six more votes than Rongione.

The judge said he would withhold adjudication provided there is no evidence of vote buying or conspiracy.

The Florida Department of Law Enforcement made arrests the first week in February after Belle Glade's City Clerk expressed concerns about the election.

Those charged allegedly live outside the city limits and were not eligible to vote in the city election. Eleven of the people charged live in Palm Glade Apartments which is south of the city limits. The others live in 715 Mobile Home Park and at Okeechobee Center.

The Glades Chapter of the NAACP has become involved in the matter. Chapter President Larry Konchellah has asked FLE to check all poll locations for voter fraud.

He says black neighborhoods have been unfairly targeted in the investigation because the winning candidate is black. The challenger, Mr. Rongione, is white.

Glades General Hospital Emergency room, Mr. Williams was pronounced dead at approximately 4:27 p.m. by Dr. Wagner.

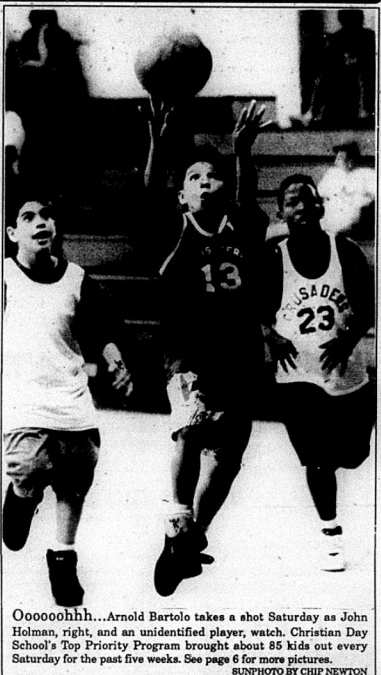

The Medical Examiners Office was called and the body was taken to their office for autopsy.

Man dies of heart attack at Slim's

A Dania man suffered a heart attack and died last Friday about 4 p.m., just after launching his boat at Slim's Fish Camp at the Belle Glade Marina.

Stanley Williams, 42, 3901 N.W. 171 Street, Dania, had complained of indigestion and vomiting just prior to his death, according to Det. Sgt. John Russ with the Palm Beach County Sheriff's Department.

Mr. Williams was with a friend, Albert Nelson of Miami, when he collapsed. Mr. Nelson called for medical assistance and Mr. Williams was taken to

South Bay election is Tuesday, March 9

Five candidates are on the March 9 ballot in South Bay. Three South Bay Commissioners refilled for the seats they currently hold on the Commission, and two political newcomers have tossed their hats into the ring. Basil Anderson is unopposed in his bid to reclaim his seat on the commission.

Mary Frances Brown, age 36, of 285 S.W. 12th Avenue, South Bay, has filed for the Group 2 seat currently held by Mirlanda Smith. This is Ms. Brown's first venture into politics.

The single mother of two holds two jobs, working for Planned Parenthood in Belle Glade as a receptionist and at the Western Palm Beach County Mental Health Clinic, Renaissance Villa.

She has lived in South Bay all his life. He said he wants to work to improve relationships between local police and citizens. He has one daughter.

The polls open at 7 a.m. and will close at 7 p.m. For more information call City Clerk Virginia Walker at 996-6751.

Ms. Brown has a son Damaster C. Brown, 18, and a daughter Jaykena C. Edwards.

She has also been heavily involved in the community both by serving on the boards of various community organizations and by initiating many health promotion and prevention outreach events/programs.

Dr. James said she is looking forward to working at a county-wide level on health promotion, prevention and coordinated primary care services.

should he take the witness stand.

The psychologists, Stephen Alexander and John Perry, suggested more tests for Williams.

Williams is accused of having

sexual intercourse with a minor between October 1987 and October 1980.

The victim, now 20, said Williams used his position in the church to force her to have sexual intercourse with him.

Williams had pleaded guilty in April, 1986, to forcing a sexual performance by a child, and lascivious acts and was on probation when arrested for the newer offense.

they threw his body along the roadside in the Gainesville area.

Friends say the suspect told authorities he and the others continued to Texas. Hernandez was arrested in Pharr, Texas. The investigation is continuing into the others responsible.

According to Mr. Pietrofesa, Hernandez trial will probably take place in Gainesville, since the actual murder apparently took place in that jurisdiction.

Mr. Aboghali was last seen about 6 p.m. Sunday, January 31. He had been watching the Super Bowl with friends but said he had to meet some migrant workers in LaBelle.

A jogger found Aboghali's body on Monday morning behind an office park in Gainesville.

According to long-time friend Dr. Ahmad Barhoush, Mr. Aboghali was a peddler who sold clothing, radios and televisions out of the back of his dark blue Ford F-250 van.

Mr. Aboghali was born in Gaza, Palestine, and raised with five brothers and five sisters. He graduated from Gaza High School in 1981 and came to the United States in 1982.

He attended school for two years in Michigan and then came to Florida in 1984 to be with his sister Rabea Suhail Diah, who lives in Pahokee.

He worked at Winn Dixie in Belle Glade until 1991 and then went into business on his own, peddling items from his van.

Jobs are hard to find if you do not speak Spanish

Dear Readers,

I'm saddened to hear no one speak up about the job situation here in Belle Glade. I'm a single mother of two with no help but food stamps once a month.

I've been trying to get a part-time job in the afternoons and weekends. But if you open your paper, you'll find there's none that I qualify for. Almost all jobs here in town require that I speak another language.

If I were in Mexico or Cuba, I would expect that. But this is where I was born and now it looks as though I'll have to leave the state just to survive.

We should all be ashamed of how we've all let this great nation slip through our hands.

Sincerely,
Given up

Editor's note: We received a call concerning possible misuse of a taxpayer's dollars. The caller said she has been unsuccessful in letting the proper authorities know of the problem. We were able to get the information relayed to the proper authorities and the matter is being investigated.

Legal to serve alcohol

Regarding the problem at Dale's Dugout. Has the beverage law changed that we can now hire 19-year-olds to work in alcoholic beverage establishments?

In Dale's Dugout, according to police reports, an underage person was working February 20, and injured. What has been done about that? Also, as I understand it, people were packed inside belly to belly and if we believe they were

outside, then we need our heads examined. Why can Dale's Dugout be exempt from the law? Let another establishment in the area do this and you can bet the book will be thrown at them.

I am not trying to give this business a hard time. I just want to know why he is exempt from the beverage laws. It seems the police are playing favorites.

Editor's note: We spoke with Belle Glade Police Chief Michael Miller about the legality of a 19-year-old selling alcoholic beverages. He called the Department of Alcohol, Tobacco and Firearms and they confirmed that it is legal for anyone 18 and over to sell alcohol as long as there is adult supervision.

Birth list depressing

Please do not publish the births at Everglades Memorial Hospital as *The Sun* did on Feb. 25. It's too depressing.

With 45-percent of the babies having no acknowledged father, I must conclude inaccurate conceptions are no longer a miracle or males are ever responsible, as often accused.

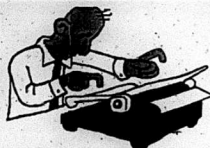

Meanwhile, I fear my taxes for welfare are going up again, given such statistics. That much seems certain in the future for children whose names can't be pronounced as they are spelled, although by their two-year-old birthday, they must have a social security number.

As I said, don't publish that list. I, and other working people, resent the list's implications.

Editor's note: This *Speak Out* was edited slightly.

We're sorry if the birth announcements at Everglades Memorial Hospital distress you but as the newspaper of record for this area, we feel it is a service to our readers.

Thank you for Speaking Out!

Letters to the editor

Crisis has been averted

Dear Editor:

As President of the PBCODA (Palm Beach County Child Care Directors Association, Inc.) I speak on behalf of Child Care Centers when I express my profound relief at the averting of this critical child care crisis in Palm Beach County.

When this came up in early January and I sat in a small meeting with HRS and the School Board discussing how this crisis evolved, I felt it was a done deal.

But fortunately, someone had the foresight to invite Barbara Kaufman from the Children's Service Council. Under the facilitation of that agency, Barbara gathered many of the important people in the county who cared about children and I saw what miracles can be wrought when people and agencies lay down their personal agendas and work towards a common goal of children's welfare.

Everyone played an important role in the solution of this problem and everyone gave something to it - the parents expressed their concern by showing up 400 strong at our rally, the affected child care centers showed their concern by "scholarshipping" children in their programs and the private child care centers also offered to take children free of charge, not to mention the Board of County Commissioners, Mayor Graham and the City of West Palm Beach, Children's Service Council, Head Start, Private Industry Council, School Board Child Care Services and Pre-K programs, United Way, City of Boynton Beach and private donations, and last but not least, HRS, in collaboration with Senator Robert Wexler and Representative Carol Hanson.

What this says to me is that we have a county that cares about its children and isn't afraid to put its money where its mouth is. Those people fortunate enough to live in Palm Beach County can feel proud today!

I only hope that the passion and cooperation will not die with this crisis; that the task force participants will keep the same level of commitment to our second goal of assuring that this does not happen again in Palm Beach County.

President of the Palm Beach County
Child Care Directors' Assn. Inc.

Alzheimer's Assoc. needs support of local paper

Dear Editor:

A letter of thanks should not begin with an apology, but please accept our gratitude for the public service announcements regarding our ID Locator Bracelet Program and other Chapter resources in recent editions of *The Sun*, even though I must apologize for taking so long to officially thank you.

With the tremendous need of all of our Chapter's community, we are in desperate need of support from dedicated professionals such as you, Chip, and all employees of *The Sun*. We cannot do all that we do without your assistance and support. Your efforts help us continue to develop additional Specialized Alzheimer's Day Care Program sites, support groups, Family Consultant resources, ID Locator Bracelet, education and training, and the other benefits the Chapter offers to the community.

Once again, thanks to all of you for your caring and sharing.

Sincerely,
Mark Cornett, Coordinator
Patient and Family Services

Limiting spending

Dear Editor:

Florida's government has a problem that is simply too big to deny: state spending has grown faster than population, personal income, or inflation for the past decade. Higher taxes are being forced on taxpayers who do not believe they are receiving an adequate return on their investment. Lack of confidence in government and public officials is at an all time high.

Clearly something is wrong. We cannot continue to sustain the pattern of growth in state spending without regular and substantial tax increases.

I believe that the most fundamental way to control the state's appetite for more revenues is to cap the amount the state can spend at a realistic level and then ask our public servants to compete among themselves to provide services in the most effective and efficient manner. Government must begin to reexamine itself. State leaders must take responsibility for scrutinizing every nickel and every dime spent by the state. A responsible spending cap will require politicians to continuously assess our needs within the framework of our ability to pay.

The idea is not new: Governor Bob Graham's Tax Commission proposed a cap in 1979, Florida TaxWatch has advocated a spending limit since 1984, and recently a majority of the Florida Taxation and Budget Reform Commission endorsed the idea.

A responsible spending cap will hold legislators accountable by forcing them to prioritize their spending decisions based on need and efficiency rather than on personal interest.

A responsible spending cap will provide government with the stability that it does not have when it rides the tide of economic cycles. Times of excessive economic growth lead to times of excessive governmental growth; but when the economy cycles through rough times the demands of government rarely shrink.

Instead of finding ways to become more efficient, state government's typical response to increase revenues (i.e., taxes). A responsible spending cap tied to a five-year average of personal income growth will smooth out the transitions between good times and bad.

A responsible spending cap will have the flexibility to protect against crises such as Hurricane Andrew and to provide for the demands of federal mandates. It should allow for an exception to the cap in any fiscal year if agreed to by an extraordinary majority of the members of the Legislature.

Initial figures show that a cap based on income growth will allow state fund expenditures to grow by 6.5% to 8.5% each year. At this rate Florida will still have a budget of more than \$51 billion in 1999-2000; an amount that should be adequate to meet the needs of the state if we manage our resources wisely.

In the end, though, the best reason for adopting a responsible spending cap is to restore confidence in state government. Florida's leaders must assure the people that they will spend tax dollars as if they were spending their own money - not someone else's. Florida's leaders must demonstrate that they know what every family, every business and every taxpayer knows: we must live within our means.

A responsible spending cap is one way to ensure that we do.

Sincerely,
Anders Crenshaw
Senate President

The politics of personal responsibility:

Dear Readers:

I thought I would take this opportunity to introduce a subject that has universal implications. People reading the newspapers often see many horrors recounted on a daily basis. The world can seem to be filled with strife, unfairness, and corruption. A good, honest person trying to live happily, work diligently, and maintain positive relationships can encounter many obstacles to these basic but often elusive goals.

However, the fact that life can often be difficult should not sway anyone from trying to live in a respectful and positive manner.

Many sociologists have developed intricate explanations as to why people go bad or commit heinous acts. Politicians can try to create legislation that will encourage prosocial behavior. Neurobiologists can try to create drugs that will help people feel or act better. It is good to be politically and socially active. I am glad that scientists are trying to develop new medicines and approaches to help people. What is

problematic however, is when one person who is not happy does not try to help him or herself. If you do not like the way your life is going, it does you no good to complain about the government, the world, your relatives, or the city you live in. If you tell yourself that you can't be happy until there are no more corrupt politicians, then you will have a long wait for happiness.

Likewise, you will remain depressed if you are holding your breath waiting for the discovery of the perfect anti-depressant medication. Unfortunately, prejudice, unfairness, and plain old nastiness have been around for a long time. You have to decide what you can do to make yourself happier. Just presuming that you can and should do something for yourself can be a helpful start.

If you would like to anonymously inquire about issues regarding yourself or your acquaintances, you may do so by writing to Dr. Boltson. You don't even have to give your name or address. Just mail all questions to:

Gator Tales

What happens when your daughter comes down with the measles the night of the Junior prom and everyone in the house is quarantined? And, on top of that, you are living with a neurotic ex-pugilist who starts fighting when the doorbell rings. AND you are stuck with a couple who came to your house thinking you are a psychoanalyst?

Find out, when Glades Day's

Class of '93 presents the play "Junior Prom" on April 2-3 in the school's Dora B. McWhorter Hall.

This three-act comedy is full of laughs and surprises as poor Mr. Haines has to deal with his daughter's measles and love schemes as well as mental patients who come knocking at the door.

Tickets will go on sale next week for the 6:30 p.m. dinner theatre on April 2 (\$10) and 8 p.m. performance only on April 3 (\$5). Seats are limited, so don't miss out!

Don Garrett, a senior at GDS, is spending the month of March in Washington D.C. as a page for Senator Strom Thurmond of South Carolina. Don was both anxious and excited about the trip.

It's going to be a great learning experience, but it's also going to be tough keeping up with my studies," he said.

We wish him the best of luck!

Animal lovers may want to enter their favorite pet in the

SPRING FLING's Pet Show Contest to be held Saturday, March 13. Prizes will be awarded for Best Show Dog and Cat, Most Talented Pet, Most Unusual Pet, Smallest Pet, and Prettiest Pet.

Tennis players are reminded that Friday, March 5, is the last day to enter Glades Day's doubles tennis tournament. Registration fee is \$25 per team. Divisions are men's and women's (A,B,C) and youth (beginner and intermediate). Play begins March 6.

Is your car dirty? Make plans to have it washed at the Spring Fling Car Wash on March 13. The freshmen and sophomore classes are selling tickets for \$5 each. One ticket guarantees a clean car!

Contact any GDS ninth or tenth grader or call the high school office at 996-6769.

We still have some tickets left for the 1993 SEA-DOO personal watercraft on display at GDS. The drawing will be held during the Spring Fling on

March 13. Tickets are \$50 each.

Anyone interested in owning a Winchester Model 942 22- Magnum rifle may buy a \$2 ticket for the drawing on March 13. These tickets are also available at the high school office.

Yard Sale

The Glades Day School junior class and the parents thereof would like to thank all contributors and all that attended the yard sale held Saturday, February 20.

The sale was a big success. Another sale is scheduled for Saturday, March 6, at 7 a.m., in the parking lot next to the bowling alley.

All donations will be used to sponsor the annual "Drug Free/Alcohol Free After-Prom Party," to be held May 1.

LOW BACK PAIN

If back pains are a way of life for you, the reasons can be varied and complex. Some may be pathological, but very often the cause is muscles which are either over or under-exercised which are producing spinal distortion. Vertebrae slip into abnormal positions, resulting in "pinched" and irritated nerves, which cause pain and even loss of function of the affected body part. Poor posture, or even emotional tension, can be the root cause.

SPORTS

Notice that her feet never touch the floor. Maybe she should be teaching aerobics. Just kidding, Lisa.

Actually, the Top Priority Program at Christian Day brought about 100 youngsters to the CD gym each Saturday morning for the past five weeks

for basketball and fellowship. Students from the school became coaches and fans for the weekend sessions.

Top Priority teaches basketball (and love)

They had eighty-odd (not that they were odd, you understand) youngsters out there this past Saturday. All of 'em playing basketball, having fun. Plus thirty-five coaches.

They were having fun, too. "They" are the folks at Christian Day School who put on the Top Priority Program, a five-Saturday basketball teaching and fellowship event held at the school's gym.

This past weekend was the Big Finale, when all ten teams competed for trophies, ribbons, and bragging rights.

The youngsters were divided into two divisions, with the 11 and 12-year-olds (and some 10) in the NBA division, and the 8 and 9-year-olds (and some 10) in the NCAA.

For the championship, "Duke Blue Devils" took first in NCAA and "Charlotte Hornets" took first in NBA.

For the Blue Devils, high scorer was Patrick Cross with six points. Next was LiAnn Throop with five points. LiAnn also took "Cutest Player" honors (THE SUN's contribution).

Other scoring for the Blue Devils, Chrissy Stevens made three points, Shawn Alava had two, and Evelyn Fabelo had one.

Others playing a great game were Jerry Bradley, Nelson Willis, and Georgia Pate. Blue Devil coaches were Natalia Ruiz, Amber Fulenwider, Yvette Cepero, and Scott Syples.

Marshette Bowens, Lisa Glass, and Angelo Archbold coached the Spurs.

Is this great, or what!

Big Winners...Well, not exactly big. Actually, they're rather small. They are the Duke Blue Devils, an NCAA team participating in Christian Day School's Top Priority Program. They are, in no particular order, LiAnn Throop, Evelyn Fabelo, Chrissy Stevens, Patrick Cross, Shawn Alava, Jerry Bradley, Nelson Willis, and Georgia Pate. The Coaches (larger, above) are Amber Fulenwider, Scott Syples, Yvette Cepero, and Natalia Ruiz. More team pictures next week. And the week after that. And the week after that.

On the way!...These are your Glades Central Community High School Lady Raiders Basketball Team. By this time next week we'll know if they are still undefeated and State Champs! They're playing DeFuniak Springs-Walton at 2 p.m. in Tallahassee tomorrow, and if they win that one, will play for the STATE CHAMPIONSHIP Saturday at 2 p.m. The games are at Tallahassee's Leon County Civic Center. Seen above, left to right, are; back row, Coach Jay Seider, Phyllis Brooks, Yvonne Joachim, Shundra Smith, Anjeanette Gilbert, Laurecia Faulk, Temple Dowell, and Coach Graham Frost; Front row, Thelma Padgett, Tiphany McKenzie, Zarnesia Browning, Tia McCants, Cemeishi Thicklin, and Josette Mann. GOOD LUCK LADY RAIDERS!!!

Three teams seen below; more to come!

Larry's Swifts...Team is composed of; back row, left to right, Octavious Bouie, Larry Garrett, Josh Fritz, Coach Cedric Murvin; front row, left to right, Lavonski Williams, Jamaal Taylor, Lovell Lopez, and Carntavious Kieckley.

Thriftway Team...is composed of; back row, left to right, Coach Daryl Taylor, Kawoski Baldwin, Willie Kieckley, and Antonio Patterson; front row, left to right, Daryl Gilley, Stafford Everett, and Anquan Boldin.

Lewis Friend Farms...team is made up of; back row, left to right, Xavious Harris, Jacoby Alexander, and Euvoski Cunningham; front row, left to right, OJ Jones, Liroy Freeman, and Antoin Paige. Not seen is Coach Edward Mays.

Sports fans...seen here at a (more or less) recent basketball game at Christian Day's gym are, back row, left to right, Molly Norman, Chris Hamilton, Martha Lynn Weeks, Kirby Norman, and others who didn't think they were in the picture and so didn't write their names down for us... Front row, left to right, R.J. Crews, Becky White, Debbie Norman, and Jennilee Threlkeld. Neat name, Jennilee. Also, another two or three who didn't put their names on the notepad. Interestingly enough, we usually see most of these particular faces at Glades Day School.

More judges...Here is the cattle-judging team from GCHS's FFA chapter. The boys recently attended the Florida State Fair in Tampa where they competed in the cattle-judging championships. They are, back row, left to right, Benny Sanchez and Owen Robinson; front row, left to right, Wilton Robinson, Robert Hammonds, and Jose Oguin.

Blue Devils win District

Pahokee's Tyrone Richardson led the state Class 2A in scoring in the basketball season just ended, including 30 points against John Carroll; 16 points against Clewiston; and 34 points against Glades Central in the District 14-2A tournament held last weekend at the Blue Devils' gym.

Tyrone Smith had 27 points against John Carroll, including four three-pointers; 28 points against Clewiston; and 13 points, including a game-win-

ning three-pointer with three seconds left, against Glades Central for the District 14-2A Championship.

Tuesday night the boys battled Englewood-Lemon Bay for the Region VII-2A championship and lost a tight game 92-85.

The Blue Devils are a Cin-

derella team, said Pahokee Athletic Director Nancy Woolcock, having been 3-19 near the season's end, and they seemed unstoppable until running up against Lemon Bay.

Lady Blue Devils finished up their season 5-15. They're a young team with everybody returning, said AD Woolcock.

The boys junior varsity went 7-15 for the season; the girls JV went 3-8; and the boys 9th grade team was 5-9.

Like other area schools, Pahokee is now starting baseball, softball, track, tennis, and weightlifting teams on the long road to success.

Good luck Blue Devils!

Baseball

There will be an at-home baseball game tomorrow at 3:45.

The boys will play William T. Dwyer. Come out and cheer!

Gator Bball

Glades Day School, like other area schools, is wrapping up its winter sports programs (basketball) and gearing up for baseball, softball, and tennis.

The varsity boys lost several close games this season and finished with a three-game winning streak and 8-14.

Danny Crum led the Gators with a 14.8 points per game average. Tommy King averaged 8.9 ppg, Hani Barhoush averaged 8.8 ppg, and Jackie Garrett averaged 8.2 ppg.

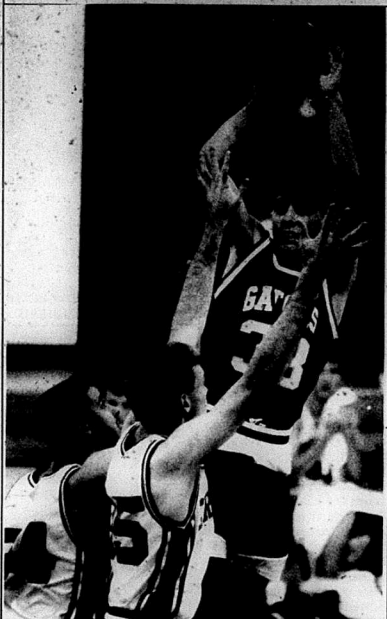

Varsity girls wrapped it up with a 9-16 record, led by Cathy Sears with 236 points, a 9.8 ppg average.

Sara Woodhead led the team in rebounds with 306; a 12.2 average. Sears also set a school record with 20 three-pointers, and Woodhead set a record with 74 blocked shots.

JV boys ended with 4-12, with Stacey Cox and Wren Sloan standing out as leaders.

JV girls set a school record scoring 66 points to beat Moore Haven. Fida Musallat, who scored 162 points in 15 games, was moved up to varsity and even led them in scoring in two games!

Crusaders squeak by Gators in final minutes

High Jack...Jackie Garrett, that is. He's seen here in last Thursday's tournament game between the Gators and the Crusaders at King's Academy. The Crusaders won 54-40, but the game was a close one until the last five minutes.

Second Place...in the state championship wrestling tournament held this past weekend at Lakeland went to Charles Chawest, seen here in a recent match at Clewiston High. Charleston lost to Jacksonville Wolves Burlingame in the final round. Bolles, a private school, is famous for the caliber of its athletes. Willie Dunning and Josh Sadtler each took home a third place finish.

Coach Frank Lasagna said the boys just weren't able to concentrate Friday and Saturday and therefore came away from the state championships with no big wins.

Coach Lasagna's son, Kevin, took first place honors in the 189-lb class for Clewiston High.

GCCHS' Charles Charleston took second in the 140-lb class.

Dunning and Sadtler took thirds.
